### 2026 FLORAL PRICING FOR INTIMATE WEDDINGS

Even the simplest moments hold something quietly extraordinary. A shared glance between lovers, a soft yes to a proposal of forever, a gathering of the people you love most: these are the moments that become memories. With just a touch of florals, each space is gently transformed, adding warmth and a softness that lingers in the air.

The Simple Bloom Collection was created with this in mind: thoughtfully curated floral packages designed to complement every kind of celebration, from intimate gatherings to meaningful milestones. Each design is intentionally crafted to elevate your day with natural beauty, so your event feels as effortless and radiant as it should be.

Let's make something beautiful together!

**Please note:** Listed prices reflect minimum costs based on average arrangement pricing. Final pricing may vary depending on floral selections. Any adjustments will be discussed and approved by both the florist and the client before the final order is placed.

*Approx. \$1500 each*

All floral packages include clear glass vases for bouquets so personal flowers may be repurposed into the reception space following the ceremony. We highly encourage clients to reuse ceremony florals during the reception for the greatest visual impact and overall floral value.

Due to the nature of these set floral packages, item substitutions are limited to the listed options only. Package pricing includes installation; however, delivery/pick-up is not included and will be quoted separately based on venue location and additional requirements

All packages include a complimentary boutonniere for the officiant, as well as a handful of florals for the cake and for your photographer to use for detail photos.
