The Dahlia Package

Wedding Coordination

\$1000

Our wedding coordination services begin one month before the wedding date and allow the newlyweds and their families to fully focus on their happiness and excitement. Meanwhile, your coordinator will oversee vendors, create and manage your detailed event packet, and address any last-minute challenges that may arise during the celebrations.

Your wedding will be directed and coordinated by one of our certified lead wedding planners, along with an assistant who will be present throughout the main parts of your event to ensure everything runs smoothly.

Details Consultation *In Person or via Zoom (~1.5 hours)*

Let's get to know one another and discuss your wedding goals as we walk through the wedding planning template together

Venue/Design Consultation *In Person or via Zoom (~1.5 hours)*

Our coordination clients can schedule a walkthrough at the venue to discuss specific details such as floor layout, ceremony/reception placement, etc.

Final Consultation *In Person or via Zoom (~2 hours)*

A final check-in to confirm all details on the planning template, so that accurate information can be distributed to all vendors and participants

Vendor Coordination

Confirmation of Vendors and Vendor Communication
Distribution of Detailed Wedding Packet to all vendors and participants
Day-of Vendor Management

Wedding Services

What is a Detailed Wedding Packet?

Your detailed wedding packet is a one-of-a-kind document created by our team of certified wedding planners and experts. It is an all-encompassing document that will include every detail about your wedding day.

Detailed Wedding Packet Contents include (but are not limited to) :

Day-Of Timeline: We gather all crucial wedding-day information and create a custom full-day schedule based on photography timeline, vendor arrivals, HMU schedule, etc.

Ceremony Rehearsal Outline We will create a 45-minute rehearsal outline, and will direct the rehearsal the week of the wedding (travel fees vary)

Ceremony Outline: We will work with the couple to create a formal outline for your ceremony processional/recessional, including full names of family members and wedding party

Ceremony Layout: We will create digital rendering of your ceremony space, with designated placement and seating for all wedding party members.

Reception Outline: We will work with your DJ to create the order of events for the reception, including song selections, special moments or elements, and send-off

Reception Layout: We will create a digital rendering of your reception space, including seating charts, floor plans, and more!

Please note: Listed prices reflect minimum costs based on average price of goods. Final pricing may vary depending on final selections. Any adjustments will be discussed and approved by both the planner and the client before the final order is placed.
